SPEND YOUR MONEY HERE!

by Tom Wynn

If we can spend more of our hard earned money in our own AREA, it would create more local jobs and generate taxes here to improve our cities. The job you create may be your sons or your daughters. For example, eat at one of our fine eateries before you leave the county or buy gas here before you leave or just buy here, if what you need is available and save the gasoline, time, and extra 1.58 percent in sales tax. The taxes you pay here will help our schools and improve our roads. So please try to spend at home, first!

WEWA'S JUNIOR MISS WINNER!

Super Congratulations to Miss Crystal Gaskin, a Senior at Wewahitchka High School for being selected as Gulf County's Junior Miss. Crystal will represent Gulf County in The State Contest later in the year. Thank you for bringing this honor to WHS for another year.

The Gator

fields will surprise a few people the first time they go out this year, especially if they happen to go at night. Both fields will be lighted (softball field is not completed yet), and many improvements will be evident, the result of a lot of hard work sponsored by the baseball boosters.

Basketball (boys and girls) is cranking up for the dash towards district. Watch the hi-way sign to know when the Gators play at home and get out to see some exciting action. Softball, Baseball and Track (also Weight lifting) will be starting before too long (got to let the ice thaw), and I have received word that WHS will host the District Baseball and the District Softball Tournaments when the playoffs start. Coach Don Rich's Boy's and Girl's will be hosting the District Track Team meet. The meet will be held in Port St. Joe using the High school's track facility.

All Basketball teams, boys and girls are entering the most intense part of their season. There are plenty of home games to keep you busy, usually with boys or girls every Tuesday, Thursday, and Friday nights. Coach Flowers tries to keep our sign current with the upcoming games.

Parents, We have numerous nice jackets (some appear brand new) that students lost and never claimed. If your student misplaced their jacket, you might want to call or come by the High school office. We would hate to end up throwing them away.

F.I.T. Program Visits WEWA

By: Tom Wynn

F.I.T. stands for FUTURE INTELLIGENT TRAINING, but who are they? A non-profit organization created to fund the F.I.T. Youth of America Clubs. The Goals for this organization is to help young people from 5 thru 18 years of age, to promote and create a drug and hate-free planet according to it's founder Ivey Bailey who is also President of the organization. Members practice a life-style of health in mind, body, and spirit consisting of exercise, diet, and prayer.

The organization plans to build youth centers, storefronts, a youth service, and an ultimate goal of a concert pavilion with a camp ground area. Mr. Bailey said there is no charge to the children and to consider it a gift from God! By simply signing the F.I.T. Articles of Truce (these articles declare that the signer will always strive to be Drug and Hate-free) the Young people become members and receive an abundance of items like T-shirts, buttons, newsletters to notify them of club activities, meetings. For interested young people and adults the Wewa membership meets at the WHS on the 1st Monday of the Month at 1:30 PM ET.

Mr. Bailey is looking for members and good role models for his program. He can be reached by phone at 904-764-2680 or you can write to him at RT. 1 Box 371 Blountstown, Florida, 32424. He would be glad to send you more information on his organization or you can obtain additional information from Johnny Paul down at the J & D Pawn shop in Wewa or Officer Greg Cole at the Wewahitchka High School.

FROM THE EDITORS DESK:

I would like to introduce myself to my readers, but most people in the Wewa area already know me. My name is Tom Wynn and I repair VCR's in the North part of Gulf county. I retired from the U.S. Coast Guard in 1992 and could not wait to get to Wewahitchka, the Greatest place to retire in the country (in my opinion)! Wewa is a great place to raise children and live in peace. The people of Gulf County are very nice and polite.

I developed this paper to promote small businesses in the Wewahitchka area, to provide a means to communicate with our customers, and have a local way for us to buy and sell to each other, "in house", so to speak using our classified section. I hope to keep this paper very simple and small and to use it to, "pass the word" when possible on up-coming events in the area. Please continue to read "The Star" because it is a fine source for local news and current events. The Wewa News is not intended to be a replacement for other sources of information. Thank you for reading and advertising in our paper.
